15th Anniversary of Les Clefs d'Or Japan

The night of the anniversary of Les clefs d'Or Japan.

On November 18th 1997, Les clefs d'Or Japan began to stand on its own feet. It has been 15 years, and we are growing with additional members and supporters. On November 13th, the 15th Anniversary Party was held in newly-opened Palace Hotel Tokyo, along with the members of the Japan Concierge Association. The theme of Japan beauty and the green tea colored atmosphere in the hotel emphasizes the sunlight from the window over the moat that surrounds the Imperial Palace. The aroma which you notice when you step in the hotel is exclusively selected.

We were very excited to welcome our guests at the entrance of the Ball Room to start the evening.

It has always been our great pleasure to work and grow together as a family of Concierges to better serve our guests.

(Mr. KOBAYASHI, president of Palace Hotel Co., Ltd.)
The reception commenced with a performance of Ms. Ora Reed, famous Jazz Singer. Everyone was overwhelmed with the performance and taken in. Following her stage, we had the opportunity to learn the history and secret of the re-opening of Palace Hotel Tokyo from the President of Palace Hotel Co., Ltd., Mr. Kobayashi.

(Mr. Ohta, president of Ohta Publications Co., Ltd.)
Also we would like to pass on our great appreciation to Mr. Ohta of Ohta Publications Co., Ltd. for his wonderful toast. We have enjoyed the moments to have such a precious communication and guidance.

At the peak of the evening, a very important statement was made by Ms. Tajima, the President of Les clefs d'Or Japan. The official announcement was made to inform everyone that the Les clefs d'Or Japan is planning to hold the Les Clefs d'Or Asian Congress in 2015 right here in Japan

(Ms. Tajima, president of Les Clefs d'Or Japan)
This evening would be marked in the history of the Les clefs d'Or Japan as a starting line for this very important event in our future.

Many thanks to all of our supporters, Associative Companies and members of the Japan Concierge Association for their continued support for the Les Clefs d'Or Japan throughout the years and the years to come.
